

Lincoln's Birthday February 12th

Today, for a few minutes at least, we may profitably pause, in the business in which we are engaged, to give our thought to this great American citizen, whose birthday is a National Holiday—

ABRAHAM LINCOLN

He personifies service without servility, gentleness without weakness, force without violence, courage without recklessness, caution without fear. He was, for his time and for the great duties laid upon him, the first American.

We men and women of today have no such responsibilities as his; but we have our own work to do and our own duties to perform; and we can acquit ourselves of these things in the same spirit as Lincoln's.

That's our aim and ideal for our business, as we hope it is yours in your work, whatever that may be.

NEWPORT WOMAN OBSERVED BIRTHDAY

Mrs. Sarah Gaskill Was 87 Years Old and Relatives Helped Her Celebrate.

Mrs. Sarah Gaskill, of Newport, was 87 years old Saturday, and her birthday is annually the occasion of an eventful gathering of her relatives. They assembled there as usual Saturday, each bringing a basket of appetizing edibles.

The dinner, the real interesting event of the day, is worth description. Nearly half a hundred people enjoyed the repast which included as the principal dish, chicken pot-pie, prepared by Mrs. Gaskill herself, and it was delicious according to the host of diners. Other good things were fried oysters, corned beef, veal salad, roast veal, potato salad, lettuce salad, mashed and creamed potatoes, corn, peas, cheese, nickles, cake, fruit, and a variety of pies.

The evangelist, Rev. Shellhorn, who is conducting special services in the Methodist Church, was the entertainer of the party. His magical tricks and illusions kept the guests in laughter.

Among those who were present were Mr. and Mrs. Harvey Love, Mr. and Mrs. Henry Love, Mr. and Mrs. A. J. Bradley and son, Elmer, Misses Coles, Batten and Irene Allen, Mabel, and son Charles; Mr. and Mrs. Henry Emerson and daughter, Mabel, Mrs. Louisa Haines and daughter, Myrtle, and son, Irving of Bridgeton; Mr. and Mrs. Edward Stafford and daughter, Pauline, of Pleasantville; Dr. and Mrs. F. CELEBRATES FEAST OF BAR MITZVA

Master George Lipitz Becomes Thirteen Years Old.

JEWISH CUSTOM OBSERVED.

Many Guests From Other Cities at the Event — Beautiful Gifts Received.

Last Saturday, the 10th instant, Master George Lipitz, only son of Morris Lipitz, the East Commerce street shoe and clothing dealer, arrived at the thirteenth milestone in his life. This, according to the Jewish custom, is the age at which the boy becomes old enough to make his own start in life and is the occasion of feasting and celebration. It is known as Bar Mitzva. On the birthday the boy solemnizes the occasion by going through certain ceremonies at the synagogue previous to the feast of Bar Mitzva.

The anniversary feast was held at the home of the young man's parents at 267 N. Laurel street and was very largely attended, guests being present from Philadelphia, Vineland, Trenton, Newark, Pittsburgh and other places as well as from Bridgeton.

The feast, which was the feature of the evening, consisted of numerous Jewish delicacies and was most enjoyable. When the time for speechmaking had arrived the toastmaster, Rabbi Maurice Rabinovets, of the Beth Abraham Synagogue, made a speech and presented Master George Lipitz to the assembled guests. Master George then rendered his Bar Mitzva speech in which, as is customary, he dwells on the fact that while his beloved parents are no longer his spiritual guardians, he having arrived at the age of making his own start, he still begs them to watch over him and guide him. The speech was well rendered and a creditable one. Morris Lipitz, the boy's father, then spoke and was followed by M. Cohen, Samuel Galmer, Mr. Friedman, of Trenton, Charles Lipitz, a brother, of Vineland, and others, all speaking in happy vein as befitting the joyful occasion.

Master George received many very beautiful presents. His mother presented him with a handsome gold watch and chain. Mr. Lipitz gave his son a hundred dollar bill to add to his bank account. An aunt, living in Trenton, gave George a beautiful diamond ring. Other aunts and uncles presented the young man with \$25, \$5 and \$10 gold pieces and Bridgeton friends brought many other fine gifts. Violin music enlivened the occasion. About 75 guests were present.

WILL SELL TRACK

At a meeting of the stockholders of the Bridgeton Driving Association held in the rooms of the Bridgeton Commercial League last Saturday afternoon, it was decided to sell the race track property, on Fayette street. Horse racing has been so much on the decline the past few years that the track has proved not only unprofitable but almost useless and the necessity of disposing of it led to a call of the stockholders to decide what was going to be done.

They decided to sell the property and the directors were authorized to use their own judgment as to the method in which it should be done. There are, it is stated, several people who would like to buy the property. An advertisement for the sale of the property appears in the Evening News today, reading as follows:

"On Saturday, February 17, 1917, at 2 o'clock p. m. at the Commercial League Rooms in Bridgeton, New Jersey, the Board of Directors of Bridgeton Driving Association will receive bids for the purchase of the land and buildings owned by said Association, on Fayette street, in Bridgeton, comprising about twenty acres of land, together with the grandstand, judges' stand, pavilion, stables, fences, etc."

"At the same time and place all persons having claims against the Association will please present same for allowance."

GALANTHE WILL VISIT

The degree team of Calanthe Lodge, No. 103, Knights of Pythias, will go to Wilmington, Del., next month to put on the work of the third degree or Rank of Knight. This is a return of the visitation made by the team of Calanthe Lodge of Wilmington last October, when their famous team came over to Bridgeton and exemplified the first or Page rank of the order in dramatic form.

The Wilmington team specializes in the first rank work, while the local team gives its special attention to the third rank. In this way each team excels in one particular feature and each one has been frequently called upon to travel far from home to show its ability in exemplifying the lessons of the rank.

When the Wilmington team came over here last fall they drew a record crowd of Pythians to the Armory and it is expected that the local boys will prove an equal attraction to the Delawareans, especially since they have acquired such a fame as entertainers, the Wilmingtonians having well advertised the royal good time they were shown in Bridgeton.

Along with the degree team a big delegation of Knights from Bridgeton and vicinity will go across the river to attend this big affair. Automobiles will be used to transport the Pythians from this city to Salem, where spectators will take them on to Ponnasgrove, and from there they will go by ferry to Wilmington.

It is proposed to have this big visitation take place on the evening of Saturday, March 31, and all the local Knights are looking forward with pleasant anticipation to this trip.

AT THE MAJESTIC

At the Majestic tomorrow will be shown "The Reward of Patience," featuring Louise Huff, in an appealing story of a Quaker girl's romance. It is a Famous Players output of the Daniel Frohman stage story.

A point of unusual interest in this production is the fact that Lottie Pickford, sister of the celebrated Mary, makes her reappearance on the screen after a long rest. Miss Pickford plays the so-called "heavy" role of the society wife who deserts her husband and child and finally meets a well-deserved fate.

Exceptional efforts were made to get just the proper settings for this picture, the atmosphere of the Quaker village in which the story opens being of the utmost importance in giving the picture charm and special interest. Those who see "The Reward of Patience" will realize that the efforts were more than worth while. Particularly charming is the waterlily near which so much of the early part of the action transpires.

Today, a great special photoplay, Clara Kimball Young in "The Foolish Virgin"—a picture for every girl who expects to marry.

YOUNG MEN'S HEBREW ASSOCIATION

Address at Beth Abraham Synagogue in the Interest of Reorganizing Here.

In the social rooms in the basement of Beth Abraham Synagogue last evening Mr. Weinberg, of Camden, made an address in the interest of the Young Men's Hebrew Association. He was formerly president of the Camden association and was accompanied to Bridgeton by several other members of that organization.

Mr. Weinberg made an excellent address in which he set forth the advantages which come from such an organizing association and said there should be a flourishing association in Bridgeton. There was formerly an association here and it is proposed to get the young men together, reorganize and put the society upon a lasting basis. There was a good attendance last evening and all enjoyed the enthusiastic address.

The next meeting has been set for next Sunday evening at 7:30 in the basement of the Synagogue.

PEPSIN NUX IRON AND

Sarsaparilla—Fine Course of Medicine. Physicians and pharmacists have long known the desirability and difficulty of combining iron—a superlative tonic—in a blood-purifying medicine. The combination of the iron with Hood's Sarsaparilla has now been secured through the thought of prescribing Pepsin Pills in connection with the Sarsaparilla—the latter before eating, Pepsin Pills after. In this way the two medicines work harmoniously, giving four-fold results in blood-cleansing and up-building. Pepsin Pills include pepsin and iron—note the name, Pepsin Pills,—iron, vomica, manganese, other tonics, digestives and laxatives. What better course of medicine can you imagine for this season? You get blood-purifying, appetite-giving, liver-stimulating, qualities in Hood's Sarsaparilla, an equal strength maker in Pepsin Pills. Buy these medicines

HIGH SCHOOL GIRL Run-down, Weak and Nervous—Made Strong by Vinol. For the benefit of Bridgeton school girls who overwork and get into highly nervous, weak and run-down condition, we publish this letter from Dorris Coppler, of Fort Worth, Tex.—"I go to high school and take music lessons, and become run-down, weak and very nervous, so I could not do anything. I would shake all over and could have screamed at times, and was really un-fit to keep on with my studies. Mother purchased a bottle of Vinol for me and within a week I was better, and in two weeks I had gained five pounds and felt fine."

It is the curative, strengthening elements of beef and cod liver peptones, aided by the blood-making, revitalizing effect of iron and manganese peptones and glycerophosphates, contained in Vinol, which made it so successful in building up health and strength and overcoming the nervous condition of Miss Coppler, and we ask every school girl in Bridgeton who is in a like condition to try Vinol, on our guarantee to return their money if it fails to benefit.
